 Canterbury, Lord, death of, 422
 Hospitals (model) from Scone Museum, 310, 324, 403; from Liverpool, 234; St. Nicholas Church, Isle of Thanet, 430
 Carbonic acid, as a moving power, 521
 Caricatures, new schools, 343
 Carlsberg Cathedral, tracery from, 186
 Carlton Club House competition, structures on, 361
 Carnarvon Castle, 92
 Carpenters, prices, 11; temples and moulds, 11; strike at Paris, 330, 360, 516
 Carpenter's Hall, London, ancient painting, 606
 Carrington, Westminster Hall, 316; for petroleum, Art-Union of London, 19, 331, 381
 Carved bench-ends, ancient, 330, 491
 Carved chairs in Norwich Cathedral, 443
 Carved panels by Inigo Jones, 490
 Carved staircases, Beilieu House, 354; Cromwell Hall, 516
 Carving (wood), present state of the art, 145; works at the New Museum of Parliament, 433, 416, 449, 460; new door, Westminster, 398, 399, 394; ancient specimens, 261; Pratt's patent process, 121, 132, 177; (See society of Wood Carvers)
 Cast-iron, ground iron, 35
 Cast-iron, patent flooring, 361
 Cast-iron, 300; affected by sea water, 13; ornamental, 263
 Cast-iron beams, strength of, 40, 163, 277, 435, 450, 513, 533
 Cast-iron pipes, (See p. 7)
 Cast-steel, improved manufacture of, 167
 Castle Howard, view and elevation, 515
 Catalogue of Paris, 560
 Catalogue of the Royal Academy Exhibitions, its errors, 254
 Catherine wheel, or rose windows, 130
 Cave, inhabited, near London, 67
 Cellars and kitchens under new Building Act, 21, 61
 Cement and artificial stone, 155, 160, 190, 264, 275, 280
 Cemeteries, churchyards, 368 (and see "Burials in towns")
 Cenotaphs, 74
 Chadwick, Edwin, on public works, 362
 Chairs (invented) at Clillingham house, 53; at Pryor's Bank, 120
 Chairs (seats) in Norwich Cathedral, 443
 Chalk, Eliza, "A Peep into Architecture," by, 407
 Chandeliers in Gothic architecture, stops to, 351
 Chandler's patent boiler furnace, 272
 Charing Church, Kent, window, 362
 Charming cross bridge, 100; "Hungford bridge"
 Chaworth, wood, near Chaworth, Herts, 264
 Chatham dockyard, improvements, 161
 Chatham Dock, Gibbons' carvings, 23
 Chaucer's tomb, Westminster Abbey, 409
 Cheltenham, proposed church, 361; railway meetings at, 149, 150
 Chemical Society, meeting, 8
 Chelsea Hospital, lamp-post by Wren, and trophy at gates, 109; its antiquities and works of art, 129
 Chelsea embankment, 365; improvements, 191, 197, 469, 604
 Chester Cathedral, restoration of, 83, 148
 Chesterfields, Victoria schools, 361
 Chimneys and smoke stacks, antiquity of, 323; 424
 Chimney-bricks, Mar's, 328
 Chimney piece, Gadenham, N. Hants, 126
 Chimney shaft at Thames Bank, 82, 161
 Chimney-shafts (see "Building Act")
 China, bridges in, 618
 Chingford Church, its ruinous state, 461
 Chippingham, improvements, 149
 Christ Church, Oxford-street, 111
 Chromate decorations, history of, 268
 Chronometrical corner, 262
 Church architecture, principles of, 16
 Church architecture in Paris, 2
 Church Building Commissioners' report, 404
 Church Building Society's grants for new churches, 47, 126, 133, 213, 311, 371
